FOR IMMEDIATE RELEASE

Caribe Royale Orlando Receives 2020 TripAdvisor Travelers' Choice Award

ORLANDO, Fla. (August 13, 2020) – [Caribe Royale Orlando](#), Central Florida's largest all-suite luxury hotel located in the heart of the nation's number one convention and tourist destination, has received the TripAdvisor Travelers' Choice Award for 2020. Winners of this award, formerly known as the Certificate of Excellence, are among the top 10% of businesses on TripAdvisor. Travelers' Choice recipients include destinations, airlines, accommodations, restaurants, attractions and experiences worldwide that earn consistently great user reviews.

The Travelers' Choice accounts for the quality, quantity and recency of reviews submitted by travelers on TripAdvisor over a 12-month period. To qualify, a business must maintain an overall TripAdvisor bubble rating of at least four out of five, have a minimum number of reviews and must have been listed on TripAdvisor for at least 12 months.

According to a 2019 TripAdvisor survey, travelers said recognition programs are tremendously influential in consumer decision-making. This feedback compelled TripAdvisor to update its award program structure "to bring greater clarity around these awards to consumers, making them even more helpful and valuable," according to its website.

"We are thrilled by this recognition and thank our customers for their excellent reviews on TripAdvisor over the years," said Amaury Piedra, Caribe Royale's managing director. "As the world begins to travel again, these awards highlight and provide much needed support for some of the best places to visit around the world. We're honored to be among them."

About Caribe Royale Orlando

Located just minutes from the Walt Disney World® Resort in the nation's number one convention and tourist destination, Caribe Royale Orlando is the area's largest all-suite convention hotel with more than 150,000 square feet of versatile event space. Being privately-owned, Caribe Royale offers meeting planners faster approval cycles and more flexibility to create stand-out events.
